DOORE SCHLEY THUS COM-MENTS ON HIS SAILORS.

on Was Killing and When the on Cleared for the Open dighty Cheers Went Up.

as Monroe, Va., May 14 .- On Board agship Brooklyn, at Sea by Pilot sy 13.—Commodore Schley and the of his flying squadron steamed out pton Roads this afternoon at 4:25 caled orders. The entire squadron have gone and at 1 o'clock all the d reported ready for getting away. 115 a dispatch from the navy decruisers New Orleans and Minne-Hampton Roads for further orders. fast ships, much better time makthe big battleships, and could urs later and still catch the squadain Polger of the New Orleans in charge of the two cruisers.

moving majestically down Hampton Reads for sea, the water with scarce a ripole on and a bright sun overhead. The temper of at Eand, when they will be sent on to the men on the squadron was well illustrated by the ringing cheers that echoed frampa.

Assistant Secretary Mcklejohn today from the forecastle down to the quarter deck and made Commodore Schley remarks with a smile: "Those are the boys for coal at once and start for Tampa. deck and made Commodere Schley remark with a smile: "Those are the boys for fighting."

taking their own boat.

Commodore Schley stood upon the bridge as long as the light lasted, and when he retired said: "I have not been so happy in weeks. Inaction was killing me."

Very nearly every officer and man on the bit save way.

#### ship seemed to think the same way. ARMY HEADQUARTERS.

SIANY APPLICANTS FOR THE BOMB PROOF POS!TIONS.

Southern Staff Officers Will Soon Bc Announced-Sixty Thousand Volunteers Mustered In.

Washington, May 14.- There was a tromendous rush at the war department today and the officials were subjected to an ininterrupted fire of questions regarding the assignment of troops, importunities for desirable berths in the quartermaster, commissary and paymaster's departments and efforts by friends of those perzons who have also been nominated for as-signments to the staffs of the various mafor and brigadier generals. The announce-ment of the staff officers of the generals already assigned is expected in a very

cruiting for both branches of the army is proceeding rapidly.

In the regular branch the recruiting is going on very satisfactorily to the officials and many good mea are being obtained. The qualifications are very strict which makes progress slower in that branch than in the volunteers. Over 60,000 of the latter have now been mustered in, nearly half of the number called for by the president. In addition 1847 officers have been mustered in.

Some of the State organizations which yesterday, it was determined, should pro-

some of the State organizations which yesterday, it was determined, should proceed to Chickemauga, may not reach there after all. Although it is understood that all those ordered to Chickemauga were ready to go, information has come that in some instances the case notative with come that in some instances this is not the case, notally with thode island and Maine. Much depends upon the outcome of the next few days. The possibility now is that some of the troops may be sent to coast points if there appears to be any danger of the appearance of Spanish vessels near those planes. With most of the men detailed for Chickamauga, however, the probability is that they will a

most of the men detailed for Chickamauga, however, the probability is that they will be sent there for final equipment and brigade and division organization.

It was stated at the war department today that only two of the three Minnesota regiments will go to Chickamauga instead of all of them as announced vesteriay.

The proposal of the bill to the conference was rejected.

BANKING BILL.

Republicans For and Democrats Against the Mensure.

Washington, May 14 of all of them as announced yesterday. One regiment is to go to San Francisco and thence to the Philippines.

#### ACTIVITY IS APPARENT

WAR DEPARTMENT ARRANGING FOR TWO EXPEDITIONS.

Volunteers Will Be Held at Chickamauga - Troops Centering at Frisco for the Philippines.

Washington, May 14 .- In the war department the day was one of extraordinary activity. The arrangements for the expediordered Commodore Schley to tions to Cuba and to the Philippines continued with unabated vigor. Concerning the former, however, the date of departure is still uncertain and will depend on the development of the next few days. This uncertainty, however, in no wise interferes with the preparations for hurrying to Tampa the large amount of quartermister's and commissary supplies which will be taken to Cuba by the army of occupation.

According to the present plans many of Pa the fingship signalled that also to proceed, and at 1:25 the Man-the Texas and the Scorpion were

fighting."

Commodore Schiey refused to say where he thought the fleet was bound for, but the fact that the collier Sterling accompanied the fleet, carrying 2500 tons of east, and cach ship had on board extra coal and water would seem to indicate there is lively work cut out for them.

It is a fighting aggregation, this flying squadron, under a coal and daring fighter.

The bandeships Massachusetts and Texas are not equalled in fighting power by any-The banicables Massachusetts and Texas to have the others who have been ordered are not equalled in fighting power by anything in the Spanish navy and the Brooklyn is the best fighting ship of her kind in the here that the expedition can start inside of

Proposals for furnishing the government Proposes for furnishing the government with hearly 6000 projectiles for an ecust cannon were opened at the ordname bure in of the war department today. This probably is the largest amount of material of this kind for which advertisements were issued at any one time in the history of the government.

SOUTHERN METHODISTS.

Resolution Asking for Religious Freedom When Cuba Is Free. Baltimore, Md., May 14.—The general Baltimore, Md. May 14.—The general conference of the Methodist Episcopal Church (South) attracted early today in Church (South) adjourned early today in a communication was read, which assumes about to secure it. The communication was from Rev. Dr. Lansing Burrows, secretary of the Southern Baptist convention, which has just closed its session at Norlotte. He asks that action be taken by the conference similar to the following resolution

adopted by the Baptists: the Southern department have already been about agreed upon, but their announcement is withheld by lack of definite organization of the army. Meantime the recruiting for both branches of the army that in the adjustment of the political organization. Whereas. As religious freedom is a prin-

strict A resolution was adopted acting that that Monday, May 16, as a day of factor and Over prayer for guidance in the election of hishops and other officers.

The question of the administration of Bishop Wilson of Baltimore was indirectly before the conference today. The Jishop had appointed a man Sunday school or at St. Louis. After the appointment man continued to preach at a church wh man continued to preach at a char, which he had already secured. The point is whether the man was evading the tour-year limit law. Only way in which Bishop Wilson is concerned is in the possibility that he may have known preaching to be wrong when he made the appointment. The matter created a parliamentary target and was figuly referred to the opmatise and was finally referred to the -opinities

on episcopacy.

The proposal of the bill to the confer-

mittee on banking and currency today levce at Verner, the largest of its kind concluded its vote by ballot upon the in this section, broke and the water rushed banking and currency bill prepared by the madly all over the low lands, carrying committee of three appointed from the republican members of the committee to
draft a bill. The result of the vots will
be announced next Wednesday to the committee end presented to the house. The
democrats unanimously oppose the bill.
